Dear Parents/Guardians:

The Appoquinimink School-Based Health Center (SBHC) is a partnership between Christiana Care Health Services, Appoquinimink School District, and the Delaware Division of Public Health. This letter is an invitation to sign up your child, grades 9-12 in the SBHC.

Please know that your child's pediatrician or family doctor is still your child's main doctor. SBHC does not take the place of your child's pediatrician or family doctor, and SBHC doctors and nurses will work with your child's main doctor to care for your child. The SBHC offers services that may round out the care provided by your main doctor. When appropriate, and with your permission, we will try to share medical information with your child's doctor to prevent any duplication of health care services, and to take the best care of your child. If your child does not have a doctor, we can help you find one.

The SBHC staff thanks you for your time. Together with you and your child's main doctor, we will work towards keeping your child healthy and in school. Please encourage your child's pediatrician or family doctor to call the SBHC with questions.

**If you have questions or need more information, please call the Appoquinimink School-Based Health Center at 302-378-5960.**
